1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 1, line 7, after " March 19, 2003," -- now US Patent No. 6,762,946" has been inserted; and

Line 8, "US Patent No. US 6,549,431, filed Jan 17, 2002" has been changed to -- US application serial no. 10/052,975, filed Jan 17, 2002, now US Patent No. 6,549,431 --.

2. The following is an examiner's statement of reasons for allowance: none of prior art of record taken alone or in combination shows an energy transfer element comprising a fourth winding and a fifth winding wound around the energy transfer core between the first and second windings to substantially reduce the capacitive displacement current between the first and second windings, the fourth and fifth windings coupled to the first and second windings, respectively (as recited in independent claim 1); or a fourth winding wound around the energy transfer core and coupled to the second winding, the third and fourth windings to generate third and fourth winding electrostatic fields to substantially reduce the capacitive displacement current between the first and second windings (as recited in independent claim 4).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew V. Nguyen whose telephone number is (571) 272-2081.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (571) 272-2800.
